

Remote Deposit

Because sometimes
a trip to the bank
isn't in the cards.

Skip the trip to the bank! Remote Deposit tools allow you to deposit checks from wherever business takes you.

The Expediency You Crave

- Process transactions faster using your smartphone, tablet or desktop scanner
- Cut the drive time and access your money faster
- Extended hours to get same-day credit¹ in your account³

The Desktop Scanner You Need in Your Office

Big Convenience

- Make deposits until 7 pm and get same-day credit¹ in your account
- Stop making copies of checks
- Search for checks online
- Perfect for depositing a high volume of checks

Smart Savings

- Reduce deposit adjustments
- Eliminate the expense of driving to and from the bank
- Lessen employee disruption
- Reduce liability from sending employee off premises

The Mobile Deposit Option You Want on The Road

- Deposit checks with our free² mobile app
- Make a deposit with just a few taps and camera clicks
- Start by logging in to your VeraBank mobile app and tapping “Deposit”
- Great for when you have just a few checks to deposit
